The New Dark Collection

Introducing the new 2020 colours

We invite you to enjoy the beauty of our
new colours of the Dark Collection.

The New Dark Collection Experience by Caesarstone

We invite you to experience the warmth, style and sophistication of the New Dark Collection by Caesarstone.

Today, black has been reconsidered as a modern classic, used as a stark accent or a powerful overall look. Dark slate and stone, along with oxidised metal and black lacquered wood, are among the remarkable materials being combined in dramatic interiors and hospitality spaces.

From the classic luxury of Empira Black™ to the matte infinity of Piatto Black™ via the evocative patinas of rusted Oxidian™ and weathered Black Tempal™, the Dark Collection presents an intriguing range of captivating hues that bring warmth to the home and an emotional caress to the stone.

The New Dark Collection Experience by Caesarstone

The Dark Collection contains four colours that comes in a pleasing to the touch new Natural finish that brings depth to homes and an extra dimension to the product range offering.

Empira Black

5101 Empira Black

5101 Empira Black

Finish Type: Natural / Polish

Thickness: 13mm / 20mm / 30mm

Collection: Supernatural

With all the mystery of any dark stone, Empira Black has a dark base composed of rich, deep black, beautified by fine white natural veins.

Caesarstone's Natural finish, emotional and full of depth, heightens this essentially elegant feel without overwhelming its innate essence. Inspired by the authentic characteristics of natural forms, Empira Black endows each space with all the sophistication of real marble.

4735 Oxidian

4735 Oxidian

Finish Type: Natural

Thickness: 13mm / 20mm / 30mm

Collection: Metropolitan

Oxidian celebrates the industrial aesthetic of patina and the tactile experience of touch. Tarnished with an oxidised russet effect that is distributed unevenly, just like real rust, Oxidian presents a trend-savvy dark grey base with true depth, thanks to Caesarstone's new Natural finish, which offers a slightly textured grain that consumers can truly feel.

5810 Black Tempal

5810 Black Tempal

Finish Type: Natural

Thickness: 13mm / 20mm / 30mm

Collection: Metropolitan

Caesarston's new exciting dark colour features soft mineral deposits that give rise to a delicate, light veil of warm whites across the slab, in contrast to the sturdy black charcoal base. Its textured, complex industrial composition reflects a captivating interpretation of industrial travertine, as its finish enhances the colour's depth while capturing warm granular highlights consumers can caress.

3101 Piatto Black

3101 piatto Black

Finish Type: Natural

Thickness: 13mm / 20mm / 30mm

Collection: Classico

Caesarstone's ultimate dark. Its fine granular appearance is complemented by a textured finish, enhancing a deeper, more intense black.

Piatto Black is designed with versatility in mind, from graphic islands to backsplashes for a grander statement. As a countertop, it is used freely in both kitchens and bathrooms, beautifully accompanying monochrome cabinetry and tiles.
